# Leveraging Multi-Messenger Astrophysics for Dark Matter Searches

- Daniel Nicholas Salazar-Gallegos
- June 25, 2023

5 Abstract

- I did Dark Matter with HAWC and IceCube. I also used Graph Neural
- 7 Networks

## 1 Acknowledgments

- I love my friends. Thanks to everyone that helped me figure this out.
- Amazing thanks to the people at LANL who supported me. Eames, etc
- Dinner Parties Jenny and her child Kaydince Kirsten, Pat, Andrea Family.
- 12 Roommate

48 11 Nu Duck 8

### 2 List of Tables

Proof I know how to include

## 3 List of Figures

Make the figures document at some point...

#### 4 Introduction

Is the text not rendering right? Ah ok it knows im basically drafting the

doc still
